SAN FRANCISCO FCU TAKES PART IN AIDS WALK

San Francisco, Calif. (August 26, 2010) – San Francisco Federal Credit Union is proud to be a participating organization at AIDS Walk San Francisco, which took place on July 18th.

On Sunday morning, twelve staff and friends of San Francisco FCU walked 10 kilometers through Golden Gate Park. As a team, the credit union raised over \$3,000 through donations and an employee pasta feed. From the pasta feed, 100% of all employee contributions went to benefit AIDS Walk San Francisco. And as a credit union coalition, made up of nine nearby credit unions, there were 266 walkers and \$26,069 was raised in total.

AIDS Walk San Francisco benefits the San Francisco AIDS Foundation and other HIV/AIDS organizations serving the six Bay Area counties. Established in 1982, the San Francisco AIDS Foundation develops innovative solutions, combining evidence-based strategies with community experience to fight HIV/AIDS and promote holistic good health. San Francisco Federal Credit Union has been an ongoing participant in AIDS Walk for numerous years.

Warren Alderson, Service Center Manager, says "I'm pleased that the credit union was willing to commit such a tremendous effort in time and energy for this worthy cause. It makes it a pleasure to contribute towards our CommunityShare philosophy." Warren has been the Chair for the AIDS Walk fundraiser at San Francisco FCU since 2002.
