## **SAN FRANCISCO FCU LIGHTS THE NIGHT FOR LEUKEMIA & LYMPHOMA**

San Francisco, Calif. (October 21, 2011) – San Francisco Federal Credit Union raised over \$2,600 for the Leukemia and Lymphoma Society in October.

During the first half of October, San Francisco Federal Credit Union staff conducted a variety of activities to collect funds and raise awareness and support for leukemia, lymphoma and other blood diseases. The Credit Union raised funds through a Disneyland raffle, selling balloons (a signature icon of Light the Night), a jeans day and a PTO contest.

San Francisco Federal Credit Union's fundraising drive culminated at The Leukemia & Lymphoma Society's Light the Night Walk on October 20. Twenty-two employees participated in the 2-mile walk through San Francisco's Union Square.

"We only spent about 2 weeks fundraising and preparing for this walk – I am so proud of our employees for coming together in such a short time and participating in a worthy cause," team captain and Sales & Service Manager, Rose Halford.
