

*Is there a maximum amount I can shred?*

Yes, due to the extreme popularity of the event in past years, we have put a maximum of four boxes per person.

*How big is a box?*

The box we are referring to is generally a file sized box, sometimes called a Banker's box.

*If I can't make it to the Shred day, can I bring my documents in at another time for you to shred?*

We provide this service only during shred days. We will not accept documents in the branch for shredding after the shred truck has left.

*Can I shred things with staples and paper clips?*

Yes.

*Can I shred things like CDs, and DVD's?*

No, documents only.

*Is color paper okay?*

Yes.

*Do I have to be a member of the Credit Union to participate?*

This is an exclusive event for our members and their family.

*Will the member parking lot be blocked off?*

No. The shred truck will be located on the adjacent lot, so that members can use the branch parking lot to conduct their banking.
