San Francisco Federal Credit Union Hires Chief Information Officer

San Francisco, CA (August 13, 2020) – San Francisco Federal Credit Union (SFFedCU) announced the hire of Carrie Pedraza as Chief Information Officer. This announcement was made by Jonathan Oliver, President and Chief Executive Officer.

“Carrie has had a long-established career in IT and is a great addition to the team,” said Oliver. “As the Credit Union continues to focus more resources to improve technology and our digital channel, Carrie’s experience will be invaluable.”

Pedraza joins San Francisco Federal Credit Union with over 30 years of experience in technology. She most recently served as Chief Information Officer for Phoenix American Financial Services, based in San Rafael. Prior to that, she was Vice President, IT Technology and Services for San Francisco-based Digital Realty, LLC and spent eight years as Director, IT at Charles Schwab. She holds a Bachelor of Information Science and Technology from Pennsylvania State University.
